Bryanna and Corey Cox of Asset Resolutions wanted to help the Elm Grove neighborhood in Kingwood TX after the area experienced severe flooding in May of 2019 . Corey shared their idea on Facebook, and the response was amazing. The Collateral Recovery Community along with others jumped in to help, raising thousands of dollars. Approximately 100 families were helped in some way. For several weeks. over 300 hot meals were served to the community They also were able to provide, 30 instant pots, diapers, wipes, cleaning supplies, toilet paper, paper towels, soap, and toothbrushes to share with the Elm Grove residents. Bryanna says “this was probably one of the most rewarding things we ever did.”
